

About our Fellowship

The UCSF/SFGH Family and Community Medicine Integrative Medicine fellowship is only open to Family Medicine Residency graduates from approved FM residencies. Applicants should have completed their 3rd year of residency prior to starting the fellowship year and be board-eligible.

As a fellow, you will be a clinical instructor for the UCSF/SFGH Family Medicine Residency. A fellowship position at 1.0 FTE includes:

- 0.5-0.6 FTE Clinic time - A combination of continuity clinics, outpatient precepting shifts, and IM clinics. Inpatient medicine supervision may be possible
- 0.4-0.5 FTE Educational time - For case-conference, teaching, project planning-implementation, and learning.

Additional details:

- Program covers full tuition to Andrew Weil Center for Integrative Medicine Integrative Fellowship for curricular support and to confer board eligibility
- 20 days paid vacation
- 10 paid holidays
- 20 days away for education events
- Salary: Competitive PGY-4 salary
- Housing Stipend
- Unionized position
- CME: per CIR housestaff contract
- Full housestaff benefits: Health, dental, vision, disability, malpractice
- Start date: Negotiable July through September
- 12 month contract from start date

Please email Folashade.Wolfe-Modupe@ucsf.edu for any additional questions about the position or benefits.
